

6" Bow-Tie Kitty in Basket Block

Add 1/4" seam allowances around all pattern sections.

6" Bow-Tie Kitty in Basket Block

Assembly Instructions:

To reduce the number of visible sewing lines in the background area of the block, you'll be sewing some of the pattern sections together before completing the paper piecing, as follows:

- 1) Paper piece the 5 individual sections, following the numbering order shown on each section, **EXCEPT** leave the areas marked **AA, BB, CC, DD** and **EE** **UN-pieced** for now.
- 2) Sew sections A and B together.
- 3) Sew section C to section A+B.
- 4) Sew section D to section A+B+C.
- 5) Sew the handle fabric piece over the area marked AA, flip and press. Sew another handle fabric piece over the area marked BB, flip and press.
- 6) Finish paper piecing using the background fabric over areas marked CC, DD, and EE, in that order.
- 7) Sew section E (basket) to section A+B+C+D.
